Majority Element II

Bulls and Cows

Top K Frequent Elements

Rearrange String k Distance Apart

Ransom Note

First Unique Character in a String

Sort Characters By Frequency

Task Scheduler

Top K Frequent Words

Reorganize String

Reordered Power of 2

RLE Iterator

X of a Kind in a Deck of Cards

3Sum With Multiplicity

Minimum Increment to Make Array Unique

Subarrays with K Different Integers

Pairs of Songs With Total Durations Divisible by 60

Distant Barcodes

Find Smallest Common Element in All Rows

Intersection of Three Sorted Arrays

Largest Values From Labels

Number of Equivalent Domino Pairs

Maximum Number of Balloons

Split a String in Balanced Strings

Count Servers that Communicate

Sort Integers by The Number of 1 Bits

Check If Array Pairs Are Divisible by k

Number of Good Pairs

Design Parking System

Determine if String Halves Are Alike

Maximum Number of Balls in a Box

Sum of Unique Elements

Change Minimum Characters to Satisfy One of Three Conditions

Sum of Beauty of All Substrings

Equal Sum Arrays With Minimum Number of Operations

Check if One String Swap Can Make Strings Equal

Count Nice Pairs in an Array

Number of Different Subsequences GCDs

Maximum Population Year

Largest Color Value in a Directed Graph

Substrings of Size Three with Distinct Characters

Redistribute Characters to Make All Strings Equal

Check if All Characters Have Equal Number of Occurrences

Longest Common Subsequence Between Sorted Arrays

Number of Pairs of Interchangeable Rectangles

Maximum Number of Ways to Partition an Array

Detect Squares

Longest Subsequence Repeated k Times

Stone Game IX
